## Message from the President

Jai Jinendra,

On behalf of the Executive Committee of Halari Visa Oshwals of America, I wish you and your entire family a very happy, healthy and peaceful New Year. I hope you all had grand celebrations for Navratri and Diwali.

We are planning our traditional annual Oshwal gathering on the Thanksgiving Day. This year the gathering will be held in Poughkeepsie, N.Y.. Detailed information about the gathering is included in this newsletter. Please keep Thursday, November 27, open and make every effort to attend the gathering. The Thanksgiving is a national holiday. What better way to celebrate it than with our Oshwal families?

This year several State representatives had arranged picnics and dinners. From the reports I have read these functions were all very successful and gave an opportunity to meet with other Oshwals.

The Executive Committee members also organized an excellent picnic in the New York area. We played games and had delicious food. Everyone enjoyed the event.

We had an Oshwal gathering during the Jaina Convention in Cincinnati. At that time the new Executive Committee was introduced and the Oshwal Directory was distributed. The convention program was well organized and informative. It gave us an opportunity to meet many old friends and to make new friends.

The Oshwal community of Canada will host the joint USA and Canada Oshwals biannual gathering in the summer of 2004. More details will be posted on both Oshwals USA and Canada Web sites as the location and the dates are fixed.

We are grateful to Ketan Dodhia and Nina Shah from New York for publishing the newsletter for two years. Their hard work and dedication made it possible for us to publish the newsletter regularly. They are not in a position to continue with this responsibility. We, therefore, would like new volunteers to take over the responsibility. This would give an opportunity to others to get involved in Oshwal activities. If you or someone you know who would like to publish the newsletter, please contact me at the following address: President@Oshwal-usa.org.

Our thanks to Satish and Surya Shah of Plano, Texas for updating and editing the Oshwal Directory. The Directory was distributed in July and if you have not received it, please contact them or me.

I am really thankful to all the State representatives who have organized social activities in their region. I hope the representatives will continue to have one or two Oshwal community functions every year.

Finally, I really appreciate the support I am receiving from our Community and the Executive Committee. Their support and cooperation has made my task much enjoyable.

Thank you,  
Manisha K. Shah, President  
Halari Visa Oshwals of America

### Next US - Canada Gathering; September 2004; Toronto, Canada

At the JAINA 2003 convention, preliminary plans were announced for the next US-Canada gathering to take place some time in September 2004, in Toronto, Ontario, Canada.

Dear Oshwal Members and Friends:

We are writing to seek your support for the [JAIN SPIRIT](#) magazine. Jain Spirit is published in the United Kingdom with global readership. The mission of Jain Spirit is "Sharing Jain Values Globally".

It is currently in its fourth year of publication. The Executive Editor is Atul Keshavji Rupshi Shah. He has a doctorate degree from the London School of Economics. In lieu of promising academic career with potential for full professorship, and despite having young family including two children, he gave up his career to start Jain Spirit.

During the recent Jaina Convention in Cincinnati, we had an opportunity to view an exhibition of stunning images from eminent photographers of Indian culture. The theme of this photographic exhibition was "Jainism ancient tradition, modern values". It was organized out of UK by Jain Spirit and is a wonderful example of one of the many ways Jain Spirit promotes message of Jainism. Atul and two members of the Board of Directors, Anant Shah and Manish Shah, and three staff members represented Jain Spirit in Cincinnati.

During our discussions with Atul, Anant and Manish, we learnt that Jain Spirit needs to increase its revenue base in order to remain viable. Currently it has 2,000 subscribers globally (1,000 in UK, 500 in US, and rest in other parts of the world including India and East Africa etc). Jain Spirit needs a minimum of 5,000 subscribers to sustain it.

Jain Spirit is an exceptional magazine with great images, content, design and layout. It is our window to the past and future. Jain Spirit is our meeting place and forum to exchange and disseminate ideas and thought. The magazine shows how relevant Jainism is today and has caught the imagination of Jain youths. Jainism has an important message for the world "Ahimsa" or "non-violence" and this vital message needs to be spread throughout the world.

We the members of the Oshwal community have an opportunity to make significant contributions to our community and beyond through the medium of Jain Spirit. Jain Spirit is ours and belongs to us all. It allows us to maintain our dignity and heritage and it is our small gift to current and future generations.

We appreciate and thank Atul, his colleagues and all the great patrons in London and elsewhere who have selflessly sustained the Jain Spirit for many years. SHOULD WE NOT STEP TO THE LINE AND OFFER TO CARRY OUR SHARE OF THE BURDEN?

We suggest and respectfully request all Oshwal families living in the US (i) to subscribe for Jain Spirit for a period of five years costing \$115.00, (ii) to provide one-year GIFT SUBSCRIPTION to your SIX or more relatives, friends or colleagues

(both Jains and non-Jains) at a cost of \$15.00 per gift subscription, and (iii) advertise in the magazine to increase its revenue base. All those who have already subscribed for the magazine, they should consider gift subscriptions and advertisement. As for gift subscriptions, the recipients will be notified of the gift subscription from you.

You can subscribe on-line at the following Web site: [www.jainspirit.com](http://www.jainspirit.com). Please note that the site has been recently upgraded to include gift subscriptions. For more information, you can contact Jain Spirit staff by e-mail at the following address: [subscription@jainspirit.com](mailto:subscription@jainspirit.com), or

Write to Jain Spirit, 14 Cowdray Office Centre, Cowdray Avenue, Colchester, CO1 1QB, United Kingdom.

Please be sure to visit to the Web site to get a taste of the Jain Spirit. Please join us in making Jain Spirit a global success.

Thank you,  
Manisha Kantilal Shah  
President Halari Visa Oshwals of America

**P.S. IF YOU ARE NOT FAMILIAR WITH THE MAGAZINE IT IS POSSIBLE THAT YOU WOULD BE HESITANT TO SUBSCRIBE FOR FIVE YEARS. IN THIS CASE WE URGE YOU TO SUBSCRIBE AT LEAST FOR A YEAR (COST \$24.00 FOR FOUR ISSUES) AND SEE WHETHER YOU LIKE IT OR NOT. WE ARE CONFIDENT THAT YOU WILL BECOME A REGULAR READER OF THE MAGAZINE.**

**HALARI VISA OSHWALS OF AMERICA AND CANADA Members Directory** was distributed to all listed members in July, 2003. If you have not received your copy, please contact us at the following address.

We would appreciate it if you would keep your listing up-to-date by completing the Directory Update form available at the following web site:

[www.oshsal-usa.org](http://www.oshsal-usa.org).

We are trying to get e-mail addresses of all members so that it would be easy to contact members. We request all those whose e-mail addresses are not listed in the directory to provide us their e-mail addresses.

Nina and Ashit Harshad Amritlal Shah of Carlsbad arranged a picnic on Sunday, October 5, at Salt Creek Beach, Orange County, California. It was attended by about 35 Oshwals living in Southern California. This was the first gathering of Oshwals of Southern California. Everybody had a good time - the ocean water was a little cool, but the kids being more adventurous did not mind swimming in the ocean. Nina and Ashit had made a special effort to provide roasted Mogo and Corn as appetizers, and the main entree was the Subway sandwich. Before saying good bye and heading home, everybody was happy to have a hot cup of Masala tea.

## ***Appeal for information by Satish Shah, Plano, Texas:***

I am in the process of writing history of Halari Visa Oshwals in the USA in association with Dr. Rati Dodhia of Rhode Island who is writing history of Halari Visa Oshwals world-wide.

I have collected some information, e.g. Jethalal Khimchand Kachara Gudka of Navagam/ Kenya/ Mumbai was the first Oshwal to have studied in the USA. He came to New York in 1946 and stayed for three years. In 1948/1949, four more Oshwals came to the USA for studies. They were (i) Jayantilal Nemchand Fulchand Shah of Kansumara/ Kenya, (ii) Ke! shav Premchand Popat Chandari of Champa Beraja/ Kenya and his brother (iii) Manu Chandaria, and (iv) Dhiru Premchand Vrajpal Shah of Padana/Kenya.

I like to get information about Oshwals who came to the USA in 1950's and early 1960's for studies and/or settlement. After the U.S. Immigration Act of 1964 was passed, quotas for permanent settlement visas were allocated to Asian and African countries. This provided opportunities for Asians and Africans to settle in the USA.

I plan to include major achievements by Oshwals in their studies, professional field, businesses, social activities, sports, politics, etc. I would appreciate it if you would let me know of your major achievements and/or of any other Oshwal that you know of.

Please contact me at the following address: satishshah5@yahoo.com or telephone: 972 618 9509.

Along with this Rati Dodhia is looking for any information on the origins of surnames, any historical oshwal stories from you home town/village, and any stories or information of important people of oshwal decent. The information should be sent by December 31, 2003 so that the stories can get published in the book.

You can email Rati Dodhia at [r\\_dodhia@netzero.net](mailto:r_dodhia@netzero.net), or call him at 401-333-1066. If you wish you can also mail your stories to his home. The address is

### **PRATISHTA MOHATSAV**
